Battery Life and Charging

The boAt Nirvana Ion offers a massive industry-leading 120 hours of total playback time, with each earbud providing up to 24 hours on a single charge, and the charging case offering significant additional backup; charging the case takes about 2.5 hours.

Sound and Audio Features

It is equipped with Crystal Bionic Sound powered by a HiFi DSP, 10mm dynamic drivers, and dual EQ Modes (Balanced and Signature Sound), allowing users to customize their audio experience for either clear vocals and balanced output or punchier bass

Connectivity and Performance

The Nirvana Ion features Bluetooth 5.2 for stable wireless connections, has 60ms low latency BEAST Mode for gaming, supports environmental noise cancellation with quad microphones (ENx Technology), and offers in-ear detection for automatic play/pause functionality
